

2009 for 2010 Team Player Program

The Team Player Program is a unit recognition program. Units that “fairly” share” in our Council’s direct service by participating in the Friends of Scouting program and selling Popcorn are eligible for reduced camping / activity fees.

The unit will receive Team Player status for 2010 based on meeting the financial goal in 2009.

Being a Team Player affords your unit special discounts on ALL Council and district activities and camp fees. In addition, Team Player Units will have a higher Popcorn commission for the fall Popcorn sale. Being a Team Player helps your Council continue to offer improved facilities, camps, services, activities and training.

2010 Team Player choices to be completed in 2009:

1. Average net \$95 per Scout* for Friends of Scouting – all \$95 per Scout collected in FOS **paid** gifts by December 31, 2009.

OR

2. Average net \$95 per Scout* to the Council in 2009 Popcorn Sale (\$317 sold per Scout).

OR

3. Average net \$95 to the council in a *combination* of FOS and popcorn sales (\$30 per Scout* in 2009 FOS and \$216 per Scout* in 2009 Popcorn sale) **paid** by December 31, 2009.

OR

4. Write a check to the council for \$95 per Scout* instead of participating in FOS or Popcorn by December 31, 2009.

*** Number of Scouts will come from the 2009 unit rechartering youth count.**
