

# Honor our President. Help our Scouts.

Photo courtesy Gerald R. Ford Museum

Funds raised through this project will honor Gerald R. Ford, America's only Eagle Scout president, and benefit Scouts who follow in his footsteps. Ford was a staff member of Camp Shawondossee, a graduate of the University of Michigan. The statue will be an exact replica of the existing statue located in front of the DeVos Family Center for Scouting.

## The missions

The Gerald R. Ford Council, Boy Scouts of America, is proud to announce two shared missions. The Council is committed to raising more than \$1 million for a life-sized statue of a 16-year-old Gerald R. Ford, dressed in a Boy Scout Uniform. The first \$100,000 raised will place the statue at the Gerald R. Ford Museum atop an eight-sided red granite base.

After the statue is placed, money raised will fund scholarships for top-ranking Boy Scouts and Venture Scouts who are members of the West Michigan-based Council.
