

Dear Jamboree 2013 Scout Parent:

Your Scout is only a few boxes of Popcorn away from going to Jamboree 2013!!!

Jamboree Campership Option Plan

It's simple, order the appropriate number of boxes (see below) and trade the popcorn for a post dated check for the full retail amount of the popcorn. We will deposit that check on May 14, and then deposit the amount shown below into your Scouts Jamboree Account at the Service Center!!! For a Scout to earn the dollars shown below, he would have to sell the corresponding number of individual boxes of microwave popcorn (either butter or butter light) :

<u>Campership</u>	<u>Boxes to Order</u>	<u>Popcorn Cost you pay</u>	<u>Dollars into Jamboree Acct.</u>
Jamboree Acct.	24 Boxes	\$432	\$250

As you can see from the above, your Scouts are earning near 60% profit towards Jamboree from the popcorn they sell!

Cash Option Plan

Scouts selecting this plan can order Show and Sell, and/or Take Order Popcorn. At the time of pick up for the Take Order Phase, the Scout will provide a post dated check for the entire retail amount due. 25% of the total sales amount will be deposited into their Jamboree account at the Service Center.

The first order date is due February 27th, and the final date to order is April 2nd.

Email aaron.gach@scouting.org with any questions, to commit to sell in this sale, or to submit an order.
